Piece Selections for OMFA

- a) One of the selections must have been performed at the Local Festival and received a minimum mark of 85 and the recommendation of the local Adjudicator. The second selection is the competitor's choice but must follow the rules of this category.
- b) All selections must be at the same grade level and at the level at which the competitor was recommended by the adjudicator. If the competitor has taken an exam prior to December 31st, 2024, then they cannot enter that level at the provincial live finals. For French Horn, Trombone, and Euphonium competitors, selections not listed in the RCM or CC syllabus will still be accepted if accompanied by a verification of grade/level from a local music teacher or conservatory of music.
- c) Please note that unlike RCM and CC exam requirements, both selections must be the same grade/level for the Provincial Competition.
- d) Competitors must refer carefully to either the RCM or CC syllabus to determine how many and which movements of a selection are required (i.e. one mvt., two mvts., or complete). Failure to play the required movements could result in disqualification.
- e) Studies/Etudes, as listed in the RCM or CC syllabi, will be permitted. However, only one (1) of the pieces selected may be a Study/Etude.
- f) Selections must be musically contrasting. The Adjudicator will take song choice into consideration.
- g) **"Teacher's Choice"** pieces are not permitted with the exception of: Euphonium, French Horn, Trombone and Tuba .

General Rules

- h) Memorization is not required but highly recommended.
- i) All competitors must be an **amateur** which shall be defined as any person whose principle means of livelihood is not obtained from the performance or teaching of music in the particular category in which they are competing, even though, from time to time, they may receive remuneration on an occasional basis (not full-time). Please click here for the full definition of Amateur vs Professional: <https://omfa.ca/glossary>
- j) All criteria listed in the OMFA General Rules (<https://omfa.ca/virtual-festival/rules-regulations>) must be strictly adhered to.

Accompaniment

- k) Accompaniment must be by acoustic piano only. Unless a piece is specifically written to be unaccompanied it must have accompaniment or the submission will be for adjudication only.
- l) If you do not have a collaborative pianist (accompanist), the people on this list (**click here: <https://omfa.ca/collaborative-pianists-accompanists>**) have indicated that they are willing to help out by providing live or recorded accompaniments. It is up to the competitor to contact them directly and pay for this arrangement.

- b) Graded Level Classes are for competitors studying in either the Royal Conservatory of Music (RCM) or Conservatory Canada (CC) syllabus.
- c) All selections must be at the same grade level and at the level at which the competitor was recommended by the adjudicator. If the competitor has taken an exam prior to December 31st, 2023, then they cannot enter that level at the provincial live finals.

- e) Competitors may count one or more movements of a multi-movement work as one selection only.
- f) Studies/Etudes, as listed in the RCM or CC syllabi, will be permitted. However, only one (1) of the pieces selected may be a Study/Etude.

Piece Selections

- a) One of the selections must have been performed at the Local Festival and received a minimum mark of 85 and the recommendation of the local Adjudicator. The second selection is the competitor's choice but may not be another movement from the first selection.
- b) Graded Level Classes are for competitors studying in either the Royal Conservatory of Music (RCM) or Conservatory Canada (CC) syllabus.
- c) All selections must be at the same level and at the level at which the competitor is currently studying. If the competitor has taken an exam prior to December 31st, 2024, then they cannot enter that level.
- d) Competitors must refer carefully to either the RCM or CC syllabus to determine how many and which movements of a selection are required (i.e. one mvt., two mvts., or complete). Failure to play the required movements could result in disqualification.
- e) Competitors may count one or more movements of a multi-movement work as one selection only.
- f) Studies/Etudes, as listed in the RCM or CC syllabi, will be permitted. However, only one (1) of the pieces selected may be a Study/Etude. Unlike in RCM or CC exams, Popular pieces may not be substituted for a study.
- g) Selections must be musically contrasting. The Adjudicator will take the choice of repertoire into consideration.
- h) "**Teacher's Choice**" pieces are not permitted.

General Rules

- i) Original music for each selection must be presented at the welcome desk for use by the Adjudicator on the day of competition. An original score of the music or purchased digital music with attached receipt showing title and price (not a cover page or subscription to a sharing website) are acceptable. Measure numbers should be clearly marked in the music.
- j) **Memorization is not required, but is highly recommended.**
- k) No announcement of name or selection is required prior to your performance.
- l) All competitors must be an **amateur** which shall be defined as a music student, performer, or any person who does not earn significant income from performance or teaching in the discipline in which they are participating or, is a member of a professional union. (Please click here for the full definition of Amateur vs Professional: <https://omfa.ca/glossary>).
- m) All criteria listed in the OMFA General Rules (<https://omfa.ca/live-festival/rules-and-regulations>) must be strictly adhered to.

Accompaniment

- n) Accompaniment must be by live acoustic piano only. Unless a piece is specifically written to be unaccompanied it must have accompaniment or the submission will be for adjudication only.

o) If you require a collaborative pianist (accompanist), the pianists on this list (click here: <https://omfa.ca/collaborative-pianists-accompanists>) have indicated that they are willing to play for the live festival. It is the competitor's responsibility to contact the collaborative pianist directly and negotiate a fee for their service.
